

VALVERDI®
INDOOR-OUT

Reservation Form

We understand that indoor and outdoor projects cannot always be completed simultaneously due to timescales or budgets, so we have created the Valverdi Reservation Service. This service allows you to order your indoor tiles with the peace of mind that we will reserve the co-ordinating outdoor tiles for when you need them. There is no obligation, and if you change your mind just let us know.

We will hold the reservation on file for one year from the confirmation date. If the selected tiles are marked for discontinuation during your reservation period, we will endeavour to contact you so that you can commit to an official order before final product discontinuation. The tiles you reserve must be a different thickness to your original order, i.e. if you are ordering 10mm tiles your reservation must be for 20mm tiles.

Once you have completed your reservation form, look out for a confirmation email to advise that your no-obligation reservation has been received.
